

Letter of recommendation

To Whom It May Concern,

Sheikh Saimul Haque Nazeef Bin Enam (Finnish social security number 210593-2953) has worked at Cloubi Ltd as a Summer Trainee and Thesis Worker between 21.5.2019 and 28.2.2020. His main responsibilities were software development, documentation and testing for collaborative development projects for Cloubi's clients and for Cloubi's internal product development project, in which he independently developed a micro service as his thesis work.

Mr. Bin Enam carried out his duties in due time, he was diligent and willing to learn. He did not hesitate to clarify unclear issues and sought support when needed. He was also able to voice his opinions on development issues and seek solutions independently. Mr. Bin Enam has proven to be able to carry out remote work and use the company's communication tools efficiently also in remote work situations.

Mr. Bin Enam was a well-liked co-worker. His manner is calm, considerate and trustworthy and he would be an asset in any company.
